## **Tedeschi Trucks Band 2016 Wheels Of Soul Summer Tour Makes 1<sup>st</sup> Stop In Rochester**

**Rochester, NY.** Rochester Events is thrilled to announce Tedeschi Trucks Band Wheels Of Soul 2016 Summer Tour live at the Highland Bowl Friday, July 8th 2016. Gates Open at 6:00PM. Show starts at 7:00PM.

Tedeschi Trucks Band brings their wildly praised Wheels of Soul tour back on the road this summer, adding Los Lobos and North Mississippi Allstars to their list of “rock ‘n soul” collaborators. Rochester’s highly regarded Highland Bowl will host the first stop on the tour.

Tedeschi Trucks Band, led by the husband-and-wife team of singer-guitarist Susan Tedeschi and guitar virtuoso Derek Trucks, are fresh off of their January 2016 release of Let Me Get By, their debut album for Fantasy Records. The Associated Press stated “Tedeschi Trucks Band has already released one of the great records of the year,” and following the band’s recent filming of Austin City Limits The Austin Chronicle added “There’s no contemporary match for the Tedeschi Trucks Band in that their third LP manages the nearly impossible combination of growth and improvement where none seems possible or necessary.”

Since their inception in 2010, TTB have seen both of their previous albums debut in the Top 15 of the Billboard 200, and won a Grammy for their debut album Revelator, an album hailed by Rolling Stone as a “masterpiece.” They tour over 200 days of the year and have built a dedicated following around the world, one powerful performance at a time. Recent highlights include four consecutive sold out shows at the Beacon Theatre in NYC, as well as a surprise guest appearance on the debut of the Late Show with Stephen Colbert. NPR has praised Trucks and Tedeschi as “two of the best roots rock musicians of their generation.” Led by Trucks, #16 of the top 100 Guitarists of All Time (Rolling Stone), and powerhouse vocalist Tedeschi, the twelve-piece group enlists two drummers, three vocalists, a three-piece horn section, bass, and a multi-instrumentalist keyboard player for what is a greater-than-the-sum-of-its-parts collective.

The Mexican American rock band Los Lobos, made internationally famous by their 1987 hit “La Bamba” from the film of the same name, join the Wheels of Soul Tour with a wealth of experience, excitement and soul. After celebrating their 40th anniversary with the 2013 live album Disconnected In New York City, the hard working, constantly touring band – David Hidalgo, Louie Perez, Cesar Rosas, Conrad Lozano and Steve Berlin – have leapt headfirst into their fifth decade with the September 2015 release of Gates of Gold, their first full length studio album since 2010’s Tin Can

Trust (a Grammy nominee for Best Americana Album) and second with Savoy/429 Records. Los Lobos saxophonist Steve Berlin said, "Rarely do we get asked to tour with two of our favorite bands but with this summer's package of us with Tedeschi Trucks and the North Mississippi Allstars, now we have. We can't wait to hit the road with all our pals in both bands, and we look forward to the jamming that will no doubt ensue."

The North Mississippi Allstars, crowned "Americana music luminaries" by NPR, are Grammy-nominated Southern blues and roots rock masters. Their most recent record, September 2013's *World Boogie Is Coming*, was self-produced at their own Zebra Ranch Studios in Hernando, Mississippi. Composed of Dickinson brothers Luther and Cody, sons of Memphis legendary producer and artist Jim Dickinson, *World Boogie Is Coming* features special guest appearances by Robert Plant, Duwayne and Gary Burnside, Alvin Youngblood Hart, Sharde Thomas, Chris Chew, Steve Selvidge, Lightnin' Malcom and others. On *World Boogie Is Coming*, the Allstars infuse their Mississippi roots with powerful rock 'n roll. "We are proud to be with our friends, all of whom participate in carrying on musical traditions while allowing them to evolve and strengthen," says Luther Dickinson looking ahead to this summer's tour. "It's an honor to play modern day Roots music with musicians as powerful as TTB and Los Lobos. I always say, 'we are fortunate to live in the age of Derek Trucks.'"
